WARNING:**

PRECAUTIONARY STATEMENTS

WARNING Hazardous to humans and animals. Causes eye and skin irritations. Ingestion may cause nausea. When mixing or applying agricultural sprays, always wear spray goggles and impervious gloves plus protective clothing as recommended on pesticide labels.

FIRST AID

In case of contact, immediately remove clothing and flush skin with plenty of water. If irritation persists, get medical attention. If product gets into eyes, rinse cautiously with water for several minutes. If swallowed, give large amounts of water. Do not induce vomiting and get medical attention.

STORAGE INSTRUCTIONS

Do not contaminate water, food or feed by storage or disposal. Store in cool, dry place. May be stored in unheated facility. Rinse containers; empty rinsate into spray tank. Spills from broken containers can be cleaned up by absorbing on clay or other suitable absorbent. Dispose of empty containers according to approved local practices.

GENERAL INFORMATION

Peanut Plus is a high analysis liquid nitrogen fertilizer enhanced with organic acids. This formulation provides increased uptake compared to typical fertilizer blends. Peanut Plus also contains Manganese, Sulfur, Boron and Copper which are critical for proper nut development and peanut production.

Peanut Plus may be mixed with most pesticides however, it is advisable to perform a simple jar test before mixing. Always check tank pH and adjust level to a recommended spray mix.

CONDITIONS OF SALE

The statements made on this label are believed to be true and accurate, but because of conditions of use which are beyond control of the manufacturer, no expressed or implied warranty or guarantee is made except in conformity with the statements on the label.
